Kenneth R. Wilson Awards are co-produced by the Canadian Business Press and Magazines Canada

## Winners of the 56th annual Kenneth R. Wilson Awards

Hundreds of guests gathered at the Carlu in Toronto on June 1, 2010 to celebrate the country's best in business press journalism at the 56th annual Kenneth R. Wilson Awards (KRW Awards) gala.

### MAGAZINE OF THE YEAR / MAGAZINE DE L'ANNÉE

#### WINNER /GAGNANT

##### **Alberta Oil**

*From the judges:*

A magazine appealing to the senior executives of the energy sector in Alberta and the rest of Canada, *Alberta Oil* combines high-quality photography, illustration and graphics, and in-depth coverage on “the business of energy.” Its attention to detail makes for a strong visual and editorial statement, offering a look at every aspect of this vital industry.

#### HONOURABLE MENTIONS/MENTIONS HONORABLES :

##### **Precedent**

*From the judges:*

Engaging, entertaining and different—*Precedent* attracts the young lawyer with its balance of law and lifestyle stories. The magazine uses clean design, captivating photography, charticles and illustrations while addressing both professional and personal issues. As the first independent legal publication in Ontario, *Precedent* manages to combine both aspects of a lawyer's life in an appealing way.

##### **Salon Magazine**

*From the judges:*

By using creative approaches to its articles, *Salon* manages to keep a sometimes repetitive subject matter fresh and engaging. Clever display, case studies and a strong overall design make this magazine appropriate for its stylish audience. *Salon* provides its readers with practical advice and even uses a comic strip to illustrate improving salon service and business skills.
